Oversized ID badge

XXL 2.0 ID card printer

XXL 2.0 ID Card Printer

Events such as concerts, awards ceremonies, tradeshows, and sports competitions require maximum security. The XXL 2.0 card printer for oversized badges is the professional solution to issue durable badges on demand.

Enhance security with **oversized photo ID badges**. The XXL 2.0 ID card printer allows you to personalize oversized ID cards on demand. Oversized photo IDs let you visually scan a crowd and identify at a glance who has proper credentials and access rights. Easy to authenticate, durable and secure, your ID badges will definitely make a lasting impression.

Robust and easy to use, the XXL 2.0 printer features a Plug & Play driver for Windows and Mac, standard USB, and a convenient display. The XXL 2.0 ID card printer can print up to **180 full cards per hour in color**, and up to **1,400 cards per hour in monochrome**.

The printer can personalize preprinted cards of 2 different sizes: 4.88" x 3.46" (124mm x 88mm) and 5.51" x 3.46" (140mm x 88mm). The maximum printable area is 86mm x 54mm.

RFID, NFC and UHF encoding modules are optional to help you produce secure access badges on demand. The XXL 2.0 ID card printer features a **2-year warranty**.
