Our expertise in ID badging makes Idesco the perfect partner for all your identification needs.

Find out how Idesco can help you keep your employees, visitors and assets safe and secure.

A FEW WORDS FROM OUR PRESIDENT

Andrew Schonzeit
President, Idesco Corp.

Idesco Corp. was founded in 1943 in New York as a manufacturer of identification credentials and safety tags. Today, Idesco is a leading provider of ID card solutions and keeps organizations of all sizes safe and secure at all times.

Our comprehensive portfolio allows us to answer the needs of all organizations, from a single office environment requiring basic access identification to the world's most secure sites spanning multiple locations.

Our experienced team will work with you to determine the best solutions that deliver maximum protection, versatility, simple operation and cost efficiency.

With over 7 decades of excellence and expertise, you can rely on Idesco to design and manage your ID card system.

I personally want to thank you for your continued support and trust.

We look forward to serving you in the near future.

Best regards,

Andrew Schonzeit
President, Idesco Corp.

WHY CHOOSE IDESCO CORP.

TRUST A TRUE ID EXPERT

Idesco Corp. has been providing the best ID card solutions to the most prestigious organizations for over 7 decades. From ID card printers to card printer supplies and badge accessories, we got you covered.

Idesco carries an extensive line of ID card solutions such as ID card printers, photo ID systems, ID card software, card printer supplies, ID cameras, and badge accessories.

ID CARD PRINTERS

We stock a large selection of CR-80 ID card printers from the industry's most trusted manufacturers, including Fargo, Magicard, Evolis, Zebra, Nisca, IDP and Entrust.

OVERSIZED ID CARD PRINTERS

We offer the largest selection of ID card printers for oversized badges. Oversized photo IDs let you identify at a glance who has proper credentials and access rights.

PHOTO ID SYSTEMS

Each system comes with a card printer, ID card software, web camera, color ribbon, and PVC cards. You will be ready to start printing your cards within minutes!

CARD PRINTER SUPPLIES

We carry supplies for every card printer model and manufacturer, even those hard-to-find printer supplies for discontinued printer models.

ID CARD SOFTWARE

Design, manage, and produce professional badges with the right ID card software. We carry entry-level, mid-level, and full-featured ID software.

ID CARDS

We stock high-quality PVC cards for all card printers. From standard blank PVC to composite cards, our selection of cards is ideal to print professional badges.

BADGE ACCESSORIES

Lanyards, badge holders, badge reels, clips, pins and magnets, clips: we have a large inventory of quality badge accessories at the best prices.

ID CAMERAS

We offer a full range of digital cameras that focus on making capturing, uploading, and editing your photos a quick, convenient and enjoyable experience.

TECHNOLOGY CARDS

Idesco is an expert in technology cards. We provide all types of Proximity cards, iClass, RFID, MIFARE, UHF cards and more based on your specific requirements.

VISITOR MANAGEMENT

Idesco offers a variety of visitor management solutions, including visitor registration, badge printing, tracking and report writing tailored to your individual needs.

FOCUS: OVERSIZED BADGES

Idesco is your event security specialist. We carry a wide range of ID card solutions to help you print high-quality ID badges for all your events. We have the perfect solution for your needs and budget.

Issue event badges on the spot to reduce lines at the registration desk, control access to your venue and ensure a smooth flow of attendees and visitors.

CUSTOM ID SOLUTIONS

Organizing and managing a successful event is demanding and can quickly become overwhelming. Fortunately, Idesco is here to help.

Idesco offers comprehensive ID card solutions specifically designed around your requirements. Whether you need basic IDs with the name and photo of your visitors, or access control badges to keep track of traffic at entry and exit points, Idesco has the right ID card system for you.

Plus, when you partner with Idesco, you team up with ID experts who will assist you before, during and after your events. Increase productivity and minimize downtime with the right ID solution.

OVERSIZED ID BADGES

Enhance security with **oversized photo ID badges**. Oversized photo IDs let you scan a crowd and identify at a glance who has proper credentials and access rights.

Easy to authenticate, durable and highly secure, your ID badges will definitely make a lasting impression.

Design professional badges and personalize them within seconds. Oversized badges are ideal for all types of events including corporate events, trade shows, concerts, and conferences.

THE IDESCO DIFFERENCE

We are committed to providing you with the right ID card solution for your event based on your requirements and budget.

Not ready to buy? You can rent printers from us for the duration of your event. Call Idesco today at **800-336-1383** to receive a **FREE consultation with an ID expert**.

RENT OVERSIZED PRINTERS FOR YOUR EVENTS

Not ready to buy printers? It might be easier to **rent printers for your events**. Renting oversized printers allows you to get the hardware that you need for the duration of your event - you do not have to worry about storing printers at your office or servicing the printers.

Idesco has developed an extensive rental program for all oversized printers. This program includes **rentals for the 2XL+, ZC10L and SwiftColor printers**. The printers are assigned on a first-come-first-serve basis so reserve your rentals in advance. For more information, call Idesco at **800-336-1383** or email sales@idesco.com.
